First Business - 14/04/2010 8:38 AM
Brooke Corte

Iggy Tan, MD, Galaxy Resources, joins the program to speak about a new supply deal with Lithium Cathode suppliers in China. Tan says their plan is to convert concentrate to Lithium Carbonate in China for the battery industry. He notes Mitsubishi is a major customer so links to China and Japan are important. He mentions Dow, Chevron, Phillips and Corning operate in China. Tan says for Australian businesses in China it is business as usual. Tan speaks about green targets for China regarding electric vehicles .

Interviewees: Iggy Tan, MD, Galaxy Resources

Duration: 8.39
